2018 Business Report

To our shareholders:

Thank you for taking time to attend the annual meeting of shareholders of Advanced Power Electronics Co., Ltd. for Year 2019. For Year 2018, the consolidated operating net income is NT\$2.71 billion, growing 27.21% from the previous year, and the net profit after tax is NT\$160 million, and the EPS after tax is NT\$2.04. The outcomes of executions of the business plans for Year 2018 and the business plans for this year are described as the followings:

I. The Business Report for 2018

(1) The outcomes of executions of the business plans

With the great efforts to expand the market in China, the Company and our subsidiaries are benefitted from the robust growth of Chinese market, the consolidated operating net income, the gross operating profit and the net operating profit is NT\$2.71 billion, NT\$500 million , and NT\$170 million, or grows 27.21%, 47.71% and 183.35% from the previous year, respectively. As the gross operating profit grows 47.71% from the previous year, the net profit after tax grows 327.80% from 2017, and the EPS after tax is NT\$2.04.

Since the power semiconductor such as MOSFE has greater demands than supplies, while being benefitted from the OEM orders released from international IDM companies, the Company and our subsidiaries have outperformed the previous year and continue to grow, by effectively integrating the upstream and downstream resources and improving the competitiveness.

(2) Status of Budget Execution

No financial forecast is released to the public by the Company and its subsidiaries.

(3) Analysis of Financial Incomes/Expenditures and Profitability

Unit: NT\$ thousands; %

| Item | | Year 2018 |
| Financial Income and Expenditures | Operating Income | 2,709,090 |
| | Gross operating profit | 499,729 |
| | Net profit for the period | 159,899 |
| | Net profit Shareholders attributed to the parent company | 166,169 |
| | Return on Assets (%) | 7.68 |
| | Return on Equity (%) | 11.45 |
| Profitability | Net profit before tax to contributed capital (%) | 23.02 |
| | Net profit rate (%) | 5.90 |
| | Earnings per share (NT\$) | 2.04 |

(4) The Status of Research and Development

For the low and middle voltage N-type Metal Oxide Semiconductor Field Effect Transistor (MOSFET), the second generation technology platforms for production process have been optimized; for the high voltage MOSFET, not only the second generation high voltage technology platforms for production process has been completed, but also the 2.5 generation technology platform has been launched to provide the products with the best C/P value. The whole new product line not only reduces the conduction loss and switch loss to enhance the efficiency, but also provides compact package to meet the clients' demand for product integration. The products have been successfully introduced to the power supplies, network connection devices, DC fans, TVs, PCs, and appliances.

II. Summary of the Business Plans for Year 2019

(1) Operation Guideline

To pursue the holistic development and stable profitability as a business, the Company and the subsidiaries have been controlling the procurement and de-stocking actively, to maintain a stable financial structure. Besides, the Company and the subsidiaries have developed the products satisfying both energy-saving and high-efficiency via the self- researched and developed products, as well as provided various better-suited products responding the demands from the clients. Meanwhile, the new markets are expanded. Through the adjustment of product mix, the competitiveness of products in the markets is enhanced, and thus it is expected to extend the operation scale and create the business profit.

(2) Expected Sales Volume and the Basis

The Company and the subsidiaries offer products including Power Metal Oxide Semiconductor Field Effect Transistors (Power MOSFET) and Insulated Gate Bipolar Transistor (IGBT), which are widely applied to various areas, such as car electronics, drones, camera drones, smart phones, tablets, game consoles, and power supplies. Under the trend of energy saving and carbon reduction, the EVs and renewable energies are the new opportunities for the future development. These will drive the usage of the power devices like MOSFET to grow significantly. On the other hand, the international IDM companies continue to expand outsourcing the manufacture of power devices. The Company and the subsidiaries are expected to achieve the annual sales volume of 1.194 billion units for Year 2019.

(3) Key Policies for Production and Sales

For sales, except expanding the current and potential clients, the Company will establish the overseas sales stations in China, Japan, and Korea. The Company will also re-invest subsidiaries to provide quick and complete product services while maintaining and improving the market share. For productions, the Company and the subsidiaries have established long-term partnerships with foundries, and packaging and testing companies. We will continue the robust partnership to secure the stable supplies. Also, through the co-operations with makers, we have better insights to the product trends, and thus are able to research, develop, and launch products meeting the demands of the markets timely. (4) Strategies for future development are affected by the external competitive environment, regulatory environment, and the operational environment as a whole.

In 2018, the semiconductor industry chain appeared an upturn cycle. From the upstream devices and materials, mid-stream chip manufacturing, to the end of the chain, the finished products of chips, the growth of order has outperformed the previous years. Look out the future, with the uncertainty resulted from the Sino-US trade war, the key topics for the Company and our subsidiaries include how to leverage the Taiwanese experience of owning a complete semiconductor industry chain from up to middle to downstream for the purpose the capability of innovation and strategic market positioning, enforcing the close ties with foundries, and packaging and testing companies, how to optimize the mix of products to secure the margin and expand the market share, among other things.

Finally, your support and encouragement for the long time are highly appreciated. On behalf of Advanced Power Electronics Co., Ltd., I want to sincerely express the gratitude to every shareholder.

Wish you all the best!

Advanced Power Electronics Co., Ltd. The Operational Procedures for Loaning of Company Funds (Newly Enacted)

Article 1 Objective

The Company shall comply with these Procedures when making loans to others; provided that where another act or regulation provides otherwise, the provisions of such act shall prevail.

Article 2 Legal Basis

The Procedures are established based on the "Regulations Governing Loaning of Funds and Making of Endorsements/Guarantees by Public Companies" released of the regulatory authorities.

Article 3 Entities to which the company may loan funds

- 1. The counterparties to whom the Company may loan of funds are limited to the following:
 - (1) Companies having business relationship with the Company.
 - (2) Companies in need of funds for a short-term period.
- 2. The term "short-term" as used in the preceding paragraph means one year, or where the company's operating cycle exceeds one year, one operating cycle.
- 3. "Subsidiary" and "parent company" as referred to in these Procedures shall be as determined under the Regulations Governing the Preparation of Financial Reports by Securities Issuers.

Article 4 Total Lending Amount and the maximum amount permitted to a single borrower

1. Total Lending Amount:

- (1) The total amount available for lending purpose shall not exceed fifty percent (50%) of the net worth of the Company.
- (2) The cumulative amount of loaned funds that are deemed necessary for the short-term fund availability by the Board of Director, shall not exceed forty percent (40%) of the net worth of the Company.
- (3) The previous clauses shall not apply to inter-company loans of funds between foreign companies in which the Company holds, directly or indirectly, 100% of the voting shares.
- 2. The maximum amount permitted to a single borrower:
 - (1) For business relationship:

For the companies having business with the Company, the upper limit of loans to any individual counterparty shall not exceed the amount of business with the Company in the latest year, and twenty five percent (25%) of the net worth of the Company.

- (2) For the companies are in need of short-term fund availability : For the companies are in need of short-term fund availability, the upper limit of loans to any individual counterparty shall not exceed twenty percent (20%) of the net worth of the Company.
- (3) If the companies whose shares with voting rights are held by the Company directly and indirectly for twenty percent (20%) or more are in need of short-term fund availability, the upper limit of loans to any individual counterparty shall not exceed forty percent (40%) of the net worth of the Company.
- 3. Where the Company's financial reports are prepared according to the International Financial Reporting Standards, "net worth" in the Procedures means the equity attributable to owners of the parent in the balance sheet.

Article 5 Period for Loaning of Funds

- 1. For the companies having business with the Company, the period of loaning of funds is one year or less principally.
- 2. For the companies deemed necessary for the short-term fund availability by the Board of Director, the period of loaning of funds shall not exceed one year or one operating cycle (the longer one prevails).

Article 6 Calculation of Interests

- 1. The Company shall establish the interest rate for loaning of funds by referring the interest rates of deposit and loans of financial institutions.
- 2. Between the parent company and the subsidiaries, or the parent company with the overseas companies whose shares with voting rights are 100% held by the Company directly and indirectly, the period of loans and the interest rate may be decided case by case.
- Article 7 Decision-Making Levels
 - 1. Before making a loan of funds to others, the Company shall carefully evaluate whether the loan is in compliance with the restrictive requirements of company funds in the Company Act, the Procedures and the Regulations of FSC for the company's for Loaning Funds to Others. Shall the Company intend to loan of funds to others, it shall prudentially assess if such loans complying with the Procedure, and the requirements of regulations of FSC, and then propose such loans to the Board of Directors for resolution before the implementation. When the Board of Directors loans funds to others, it shall take into full consideration each independent director's opinions; independent directors' opinions specifically expressing assent or dissent and their reasons for dissent shall be included in the minutes of the board of directors' meeting. Nonetheless, any material loans of funds shall be firstly approved by the Audit Committee based on the related requirements, and then proposed to the Board of Directors for resolutions.
 - 2. Loans of funds between the Company and its parent company or subsidiaries, or the parent company with the overseas companies whose shares with voting rights are 100% held by the Company directly and indirectly, shall be submitted for a resolution by the board of directors pursuant to the preceding paragraph, and the chairperson may be authorized, for a specific borrowing counterparty, within a certain monetary limit resolved by the board of directors, and within a period not to exceed one year, to give loans in installments or to make a revolving credit line available for the counterparty to draw down.
 - 3. The "certain monetary limit" mentioned in the preceding paragraph shall be in compliance with the requirement of Paragraph 2, Article 4, In addition, the authorized limit on loans extended by the Company or any of its subsidiaries to any single entity shall not exceed ten percent (10%) of the net worth on the most current financial statements of the lending company.

Article 8 Proceeding the Loans and the Review Procedure

1. Execution Unit

The finance/account department is responsible for proceeding loans of funds to others.

- 2. Review procedure and approval of loans
 - (1) Credit checking and approving limits

To proceed loaning of funds, the Company shall carefully assess the purpose of loans, the reasons of loans and the necessity, the guarantee conditions, the financial position, the impact to the shareholders' interests, among other things. For these loans to be released after credit checking and assessment, the personnel handling the loans shall specify the credit report and the review comments to their line managers until such documents are presented to the Board of Directors for approving.

(2) The Company shall prepare a memorandum book for its fund-loaning activities and truthfully record the important information regarding the loans.

Article 9 The Follow-up Controls of the Loans and the Procedure Handling Overdue Debt

- 1. Once a loan is released, attentions shall be paid frequently to the financial, business, and credit status of the debtor and the guarantee(s); shall there be any collateral, the value of such collaterals shall be paid frequent attentions to as well.
- 2. If, as a result of a change in circumstances, an entity does not meet the requirements of these Regulations or the loan balance exceeds the limit, the Company shall adopt rectification plans and submit the rectification plans to the Board of Directors, and shall complete the rectification according to the timeframe set out in the plan.
- 3. Notify the borrowers of the amount of principal and interest for payment at maturity prior to the maturity date. The borrowers shall calculate the interest at the maturity date of the loan and pay the interest and repay the principal simultaneously at maturity.
- 4. Shall the borrower fail to repay the principals and interests on time, unless requesting an extension in advance and such extension is approved by the Board of Director, the Company may request the borrower fully repay all the borrowings, or dispose or recover from the provided collaterals and guarantors.

Article 10 Procedure for Public Announcement and Filing

INDEPENDENT AUDITORS' REPORT

The Board of Directors and Shareholders Advanced Power Electronics Co., Ltd.

Opinion

We have audited the accompanying consolidated financial statements of Advanced Power Electronics Co., Ltd. and its subsidiaries (the "Group"), which comprise the consolidated balance sheets as of December 31, 2018 and 2017, and the consolidated statements of comprehensive income, changes in equity and cash flows for the years then ended, and the notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as of December 31, 2018 and 2017, and its consolidated financial performance and its consolidated cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and International Financial Reporting Standards ("IFRS"), International Accounting Standards (IAS), IFRIC Interpretations (IFRIC), and SIC Interpretations (SIC) endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China.

Basis for Opinion

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with The Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the year ended December 31, 2018. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

The descriptions of the key audit matters of the 2018 consolidated financial statements are as follows:

Estimate for Impairment of Accounts Receivable

Refer to Note 5 and 12, the estimated impairment of accounts receivable of the Group involves the judgment made regarding payments likely unable to be collected. As is required by IAS 9, the management recognized the allowance for receivables according to the expected credit loss for the duration. The estimates above involve the subjective judgment of the management and hypothetical impacts based on credit risk. Therefore, we believe that the review for the impairment of accounts receivable is a key audit matter.

We evaluated the allowance assessment policy of the Group, tested the legitimacy of the expected credit impairment rate, and examined the delinquency of respective accounts receivable and asked for related reasons in order to verify the expected credit loss of accounts receivable.

Evaluation of inventories

Refer to Note 5 for the uncertainty of accounting estimations and assumptions for evaluation of inventories, Inventories are measured at the lower of cost or net realizable value, and the Group uses judgment and estimate to determine the net realizable value of inventory based on assumptions of the management. Therefore, we believe that the review for the evaluation of inventories is a key audit matter.

We have assessed the policy on allowance for inventory valuation loss, evaluated the legitimacy and performed sampling in order to examine the accuracy of the inventory age report. We also randomly inspected the latest selling prices and took part in the annual inventory check and observed the current inventory in order to evaluate the legitimacy of inventory valuation.

Other Matter

We have also audited the parent company only financial statements of Advanced Power Electronics Co., Ltd. as of and for the years ended December 31, 2018 and 2017 on which we have issued an unmodified opinion.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and IFRS, IAS, IFRIC, and SIC endorsed and issued into effect by the FSC of the ROC, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so. Those charged with governance (including the audit committee) are responsible for overseeing the Group's financial reporting process.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the auditing standards generally accepted in the ROC will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the auditing standards generally accepted in the ROC, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- 2. Obtain an understanding of internal control relevant to the audit in order to design audit

procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.

- 3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- 5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient and appropriate audit evidence regarding the financial information of entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the year ended December 31, 2018 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audit resulting in this independent auditors' report are Wen-Chin Lin and Cheng-Ming Lee.

INDEPENDENT AUDITORS' REPORT

The Board of Directors and Shareholders Advanced Power Electronics Co., Ltd.

Opinion

We have audited the accompanying financial statements of Advanced Power Electronics Co., Ltd. (the "Company"), which comprise the balance sheets as of December 31, 2018 and 2017, and the statements of comprehensive income, changes in equity and cash flows for the years then ended, and the notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2018 and 2017, and its financial performance and its cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers.

Basis for Opinion

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with The Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements for the year ended December 31, 2018. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

The descriptions of the key audit matters of the 2018 financial statements are as follows:

Estimate for Impairment of Accounts Receivable

Refer to Note 5 and 11, the estimated impairment of accounts receivable of the Company involves the judgment made regarding payments likely unable to be collected. As is required by IAS 9, the management recognized the allowance for receivables according to the expected credit loss for the duration. The estimates above involve the subjective judgment of the management and hypothetical impacts based on credit risk. Therefore, we believe that the review for the impairment of accounts receivable is a key audit matter.

We evaluated the allowance assessment policy of the Company, tested the legitimacy of the expected credit impairment rate, and examined the delinquency of respective accounts receivable and asked for related reasons in order to verify the expected credit loss of accounts receivable.

Evaluation of inventories

Refer to Note 5 for the uncertainty of accounting estimations and assumptions for evaluation of inventories, Inventories are measured at the lower of cost or net realizable value, and the Company uses judgment and estimate to determine the net realizable value of inventory based on assumptions of the management. Therefore, we believe that the review for the evaluation of inventories is a key audit matter.

We have assessed the policy on allowance for inventory valuation loss, evaluated the legitimacy and performed sampling in order to examine the accuracy of the inventory age report. We also randomly inspected the latest selling prices and took part in the annual inventory check and observed the current inventory in order to evaluate the legitimacy of inventory valuation.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers, and for such internal control as management determines is necessary to enable the

preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance (including the audit committee) are responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- 1. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- 2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- 3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists

related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- 5. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient and appropriate audit evidence regarding the financial information of entities or business activities within the Company to express an opinion on the financial statements. We are responsible for the direction, supervision and performance of the Company audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements for the year ended December 31, 2018 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audit resulting in this independent auditors' report are Wen-Chin Lin and Cheng-Ming Lee.

The Rules of Procedure for Shareholder Meetings (before Amendment)

Revised and enforced in the annual meeting of shareholders on June 18, 2002. Revised and enforced in the annual meeting of shareholders on June 10, 2003. Revised and enforced in the annual meeting of shareholders on June 15, 2012.

- Article 1 Unless otherwise required by laws and regulations, the shareholders' meeting of the Company shall be held in accordance with these Rules
- Article 1-1 The reasons for convening a shareholders' meeting shall be specified in the meeting notice and served 30 days before the date of a regular shareholders' meeting or 15 days before the date of a special shareholders' meeting. To holders of unregistered shares, notices may be served by means of public announcement 45 days before the date of a regular shareholders' meeting or 30 days before the date of a special shareholders' meeting or 30 days before the date of a special shareholders' meeting. To shareholders who hold share certificates less than one thousand shares, the notices may be served by means of public announcement 30 days before the date of a regular shareholders' meeting. The issues which should be enumerated in the notices for the meeting and shall not be posed by means of extraordinary motions shall be duly handled in accordance with the Company Act and laws and ordinances concerned.
- Article 2 When the attending shareholders or proxy attends the shareholders' meeting, he/she shall sign on the attendance sheet or deliver an attendance card in place of signing, and conduct the attendance procedures. The number of shares present shall be calculated based on the attendance sheet or the attendance cards delivered.
- Article 3 The attendance and voting at the shareholders' meeting shall be calculated based on the shares.
- Article 4 The place of the shareholders' meeting shall be at the office of the Company or at a location convenient to the shareholders and suitable for convening a shareholders' meeting. The time of the meeting may not be earlier than 9 a.m. or later than 3 p.m..
- Article 5 When the shareholders' meeting was convened by the Board of Directors, the shareholders' meeting shall be presided by the Chairman of the Board of Directors and attended by a majority of the directors. If the Chairman is absent or is unable to exercise the duties for certain reasons, the Chairman may designate one of the director to act on his/her behalf. Where the Chairman does not designate a proxy, the directors may elect a person among themselves to act on behalf of the Chairman.

If the meeting is convened by any other person besides the Board of Directors who is entitled to convene the meeting, such person shall be the chairman to preside at the meeting. If there are more than two persons convening the meeting, then shall be the one elected by the other. Article 6 This Company may appoint its attorneys, certified public accountants, or related persons retained by it to attend a shareholders meeting in a non-voting capacity. Staff handling administrative affairs of a shareholders meeting shall wear identification cards or arm bands.

Article 7 The Company shall sound record or video record the whole process of the shareholders' meeting and shall preserve it for at least one year.

Article 8 Upon the starting time of the meeting, the chairman shall order the meeting to begin. However, where the shareholders present represent half or less than half of the total outstanding shares, the chairman may postpone the meeting for a total of two times. The postponed time may not in total exceed one hour. Where after two postponements, the shareholders present still do not meet the quorum but represent one-third or more of the total outstanding shares, a tentative resolution may be passed in accordance with Paragraph 1, Article 175 of the Company Act. If the shares present represent more than half of the total outstanding shares before the end of the meeting, the chairman may propose the tentative resolution to the

Article 9 shareholders' meeting for voting in accordance with Article 174 of the Company Act. If a shareholders' meeting is convened by the Board of Directors, the meeting agenda shall be set by the Board of Directors. The meeting shall proceed in the order set by the agenda, which may not be changed without a resolution of the shareholders' meeting. In case of only a change in the order of progress in the agenda, the change may be conducted by the chairperson at his discretion. The provisions of the preceding paragraph apply mutatis mutandis to a shareholders' meeting convened by a party with the power to convene that is not the Board of Directors.

> The chair may not declare the meeting adjourned prior to completion of deliberation on the meeting agenda of the preceding two paragraphs (including extraordinary motions), except by a resolution of the shareholders' meeting. After adjournment of the meeting, the shareholders shall not elect another chairperson to continue the progress of the meeting at the same venue or at a new venue.

> If the chair declares the meeting adjourned in violation of the rules of procedure, the other members of the Board of Directors shall promptly assist the attending shareholders in electing a new chair in accordance with statutory procedures, by agreement of a majority of the votes represented by the attending shareholders, and then continue the meeting.

Article 10 Before speaking, an attending shareholder must specify on a speaker's slip the subject of the speech, his/her shareholder account number (or attendance card number), and account name. The order in which shareholders speak will be set by the chair.

A shareholder in attendance who has submitted a speaker's slip but does not actually speak shall be deemed to have not spoken. When the content of the speech does not correspond to the subject given on the speaker's slip, the spoken content shall prevail.

When an attending shareholder is speaking, other shareholders may not speak or interrupt unless they have sought and obtained the consent of the chair and the shareholder that has the floor; the chair shall stop any violation.

Where a shareholder restricts the powers of a proxy through the proxy form or other means, disregarding whether the restriction is known to the Company, only the speech or voting conducted by the proxy shall prevail.

| Article 11 | Except with the consent of the chair, a shareholder may not speak more than twice on the same proposal, and a single speech may not exceed 5 minutes. If the shareholder's speech violates the rules or exceeds the scope of the agenda item, |
|------------|---|
| | the chair may terminate the speech. |
| Article 12 | Any legal entity designated as proxy by shareholder(s) to be present at the meeting |
| | may appoint only one representative to attend the meeting. |
| | When a juristic person shareholder appoints two or more representatives to attend |
| | a shareholders meeting, only one of the representatives so appointed may speak |
| | on the same proposal. |
| Article 13 | After an attending shareholder has spoken, the chair may respond in person or |
| | direct relevant personnel to respond. |
| Article 14 | When the chair considers that the discussion for a motion has reached the extent |
| | for making a resolution, he may announce discontinuance of the discussion and submit the motion for resolution. |
| Article 15 | Vote monitoring and counting personnel for the voting on a proposal shall be |
| | appointed by the chair, provided that all monitoring personnel shall be shareholders of this Corporation. |
| | The outcome of the voting process shall be reported on-the-spot and be entered into |
| | minutes. |
| Article 16 | When a meeting is in progress, the chair may announce a break based on time |
| | considerations. Each break shall not exceed the duration of two (2) hours maximum. |
| Article 17 | Except as otherwise provided in the Company Act and in this Corporation's |
| | articles of incorporation, the passage of a proposal shall require an affirmative vote of a majority of the voting rights represented by the attending shareholders. |
| | The resolution shall be deemed adopted and shall have the same effect as if it was |
| | voted by casting ballots if no objection is voiced after inquiry by the chairman. |
| | Where the present shareholders consent to the proposals posed by the board of |
| | directors as entered into the Meeting Agenda Handbook, such shareholders may |
| | hand over their voting ballots about the issues they agree to the tallying staff |
| | before the balloting process so as to economize the tie required to tally the ballots. |
| | Upon the voting process for such issues, if the agreeing ballots are up to the legal |
| | quorum, such issues are deemed to have been duly resolved. |
| | Each share held by a shareholder hereof is entitled to one voting power, provided |
| | that the Company has no voting power for shares held by itself. |
| Article 17 | When a shareholder is an interested party in relation to an agenda item, and there |
| -1 | is the likelihood that such a relationship would prejudice the interests of this |
| | Company, that shareholder may not vote on that item, and may not exercise |
| Article 18 | voting rights as proxy for any other shareholder. When there is an amendment or an alternative to a proposal, the chair shall |
| Article 18 | present the amended or alternative proposal together with the original proposal |
| | and decide the order in which they will be put to a vote. When any one among |
| | them is passed, the other proposals will then be deemed rejected, and no further |
| | voting shall be required. |
| Article 19 | The chair may direct the proctors or security personnel to help maintain order at |
| | the meeting place. When proctors or security personnel help maintain order at the |

meeting place, they shall wear an identification card or armband bearing the word "Proctor."

- Article 20 Matters relating to the resolutions of a shareholders meeting shall be recorded in the meeting minutes. The meeting minutes shall be signed or sealed by the chair of the meeting and a copy distributed to each shareholder within 20 days after the conclusion of the meeting. This Company may distribute the meeting minutes of the preceding paragraph by means of a public announcement made through the MOPS. The meeting minutes shall accurately record the year, month, day, and place of the meeting, the chair's full name, the methods by which resolutions were adopted, and a summary of the deliberations and their results, and shall be retained for the duration of the existence of this Company. For the parts of the issues where shareholders have no objection, the "an issue which has been duly resolved exactly as proposed as no objection" is heard in response to the inquiry by the chairman shall be entered. For the parts of the issues where shareholders have objection, the balloting methods number and ratios of voting ballots shall be expressly remarked. The attendance sheet and proxy shall be kept in proper custody for at least 1 year. Article 21 If, however, a shareholder files a lawsuit pursuant to Article 189 of the Company Act, the ballots shall be retained until the conclusion of the litigation. Article 22 In case of an air-raid alarm is sounded during the process of the meeting, the meeting shall be promulgated for discontinuance or suspension from the meeting.
 - meeting shall be promulgated for discontinuance or suspension from the meeting. All participants shall evacuate. The meeting may be resumed an hour after the air-raid alarm is lifted.
- Article 23 If the matters do not provided this rules, shall pursuant to the Company Act, the Articles of Incorporation and other laws and regulations.
- Article 24These Rules and Procedures shall be effective from the date it is approved by the
Shareholders' Meeting. The same applies in case of revision.
